

Our Faithful Stewards write

I HAVE BEEN PARTICIPATING IN THE FAITHFUL STEWARD program for several years, and I am pleased and proud to do so!

I feel that we have an obligation to help our Canadian churches which, with our help, are able to have a more effective ministry. Needs are great across this country, and those who can help should feel an obligation to do so.

I know exactly where my money is being used, and an automatic deduction monthly payment makes giving simple and efficient.

I AM AWARE OF THE GREAT NEED FOR MISSIONARIES, and actually had the desire to be one.

While this has not been possible, this work is still in my thoughts and prayers – although I do missionary work in my daily tasks as a lay Franciscan.

I really admire all the awesome work our missionaries do; be assured of my daily prayers!

FOR SEVERAL YEARS, I HAVE BEEN SUPPORTING the foreign missions, but after reading about our northern Canadian missions, I realized I was missing something very important.

That they were in need of financial assistance was pretty obvious!

I felt that it was also my responsibility to help Canadian missionaries in the sacrifices they make and the important work they do

I would encourage all who can, to become a Faithful Steward. You won't regret it, because God loves a cheerful giver!

MY WIFE AND I SUPPORT CATHOLIC MISSIONS IN CANADA'S Faithful Steward program for a number of reasons.

First and foremost, it's a worthy cause.

Second, by reducing the cost of doing business – including spiritual business – we all come out ahead.

We hope others become aware of this program, and hope this testimonial furthers that awareness.
